Confidentiality Notice

The data you supply on this application is restricted to election officials prior to Election Day at 8:00 p.m. After that time, this application and the data on it, other than your identification number and date of birth, are public information. Your date of birth is required to ensure that this application can be associated with the correct voter. If you refuse to provide your date of birth, this application cannot be processed and you will not be provided with an absentee ballot. Your ID number is required to ensure that the ballot is returned by the same voter who applied for it. You may refuse to provide it, but doing so may lead to your absentee ballot being rejected and will prevent you from checking the status of your absentee ballot online.

Who may apply for a ballot

Each person must apply for themselves. It is a felony to make a false statement in an application for an absentee ballot, to attempt to cast an illegal ballot, or to help anyone to cast an illegal ballot.

If you think you may not be registered to vote

If you are not registered at the legal residence address provided, you will be sent a voter registration application with your ballot materials.

Information for active-duty military and overseas voters

If you are applying for an absentee ballot because you or your family are active-duty military or because you will be overseas and/or outside of the territorial limits of the United States, do not use this application. You are entitled to special protections if you apply using the Federal Postcard Application. For more information and to apply online, go to <http://mnvotes.org>.
