

STRATEGIC GOALS

- Academic Achievement
- Fiscal Responsibility
- High Quality Workforce
- Community Connectedness

ONLINE PRESENCE

facebook Engagement

**Goal**  
 Implement a marketing plan to attract and retain students.

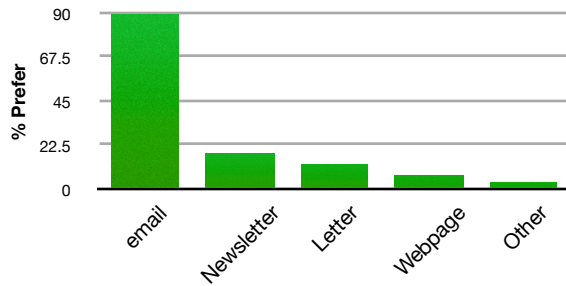

**Update Status**

The Lakeville Area Public Schools are dedicated to establishing a sense of strong Community Connectedness. Our goals, and the action plans that support them, guide our continuous improvement efforts.

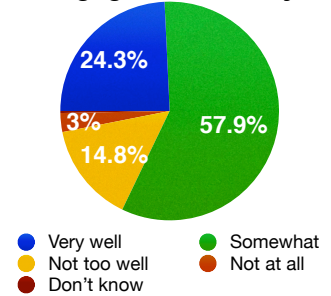

**Goal**

Implement a comprehensive communication plan to meet the needs of internal and external stakeholders.

**Parent Stakeholder Preferred Communication**

**"I am informed." Community Engagement Survey**

**Goal**

Increase opportunities for volunteerism and community partnerships.

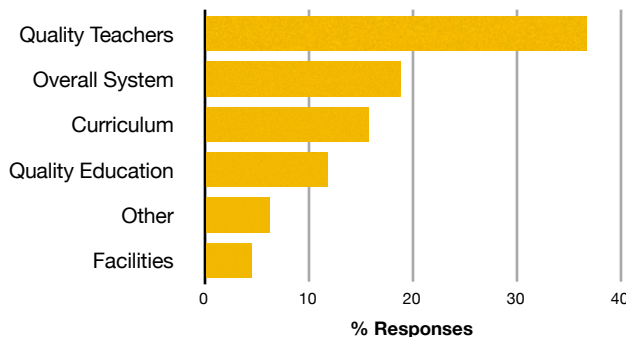

**36 LOCAL BUSINESS ADVERTISING PARTNERS**

- PTO Roundtable
- High-Tech Council
- Business Academy

**Overall Satisfaction**

Based on the 2012 Springsted Community Survey

**"Please tell me briefly what you believe is the best thing about Lakeville Area Public Schools:"**

**75.5% of those surveyed gave ISD194 an A or B.**

**A**

"Voters in the Lakeville Area Public School District are more likely to give the local schools an A or a B than are voters from across the country."

**Summary**

Lakeville Area Public School leaders will continue down the path of continuous improvement, so every student can achieve their full potential and so that we can realize our vision of being "a world class leader in providing a quality education."
