Students with Lactose Intolerance

A NEW REQUEST MUST BE COMPLETED EACH SCHOOL YEAR

Dear Parent,

State law (Minnesota Statutes 124D.114) requires Child Nutrition Programs to provide a state approved alternative for a student with lactose intolerance if the parent has requested an alternative in writing.

Lakeville Area Public Schools will provide lactose free milk with the purchase of a meal, for any student with lactose intolerance who has turned in the form below.

Complete the form below if you need to make this request for your child, and please contact me at 952-232-2062 if you have any questions.
