

Flint Hills Resources Discovery Scholarship Application Addendum

To be completed with the Discovery Scholarship application.

Essay Component

Interested students should submit with their scholarship application a one-page to two-page essay on their future career goals. The essay should answer the following questions:

- What is your chosen career field (if known)?
- Why did you choose this career field?
- How are you preparing for your chosen career field?
- How will the Discovery Scholarship help you achieve your career goals in college and beyond?

Scholarship selection criteria:

- Financial need as determined by school criteria.
- Proven leadership and entrepreneurial skills.
- Plans to pursue a career in a science or math related field.
- Minimum cumulative GPA of 3.6 with a focus on math or science classes.
