

Flint Hills Resources Discovery Scholarship

Discovery Scholarship Awards Criteria:

- Financial need as determined by school criteria.
- Proven leadership and entrepreneurial skills.
- Plans to pursue a career in a science or math related field.
- Minimum cumulative GPA of 3.6 with a focus on math or science classes.

Application:

Please provide a one-two page essay on your future career goals.

- Give specific details about the types of science or math related career you are interested in pursuing and why.
- How you planning to prepare yourself for your chosen field.
- How will the Flint Hills Resources Discovery Scholarship help you achieve your goals in college and beyond.

Please include the following information:

- A list of all co-curricular activities in which you have participated throughout high school.
- A list of all community service projects in which you have been involved throughout high school.
- Two letters of recommendation; one from a teacher or counselor and one who can attest to your learning experience referenced in your essay.
- A current photograph.
