On Wednesday, **February 20th**, **Lakeville North High School** and **Lakeville South High School** will administer the **ACT college entrance exam, FREE OF CHARGE**, to all members of the junior class. Beginning soon, **Advantage Educational Programs**, in cooperation with Lakeville Public Schools, will once again present its **ACT Preparatory Course** to students from Lakeville North High School and Lakeville South High School. This course is designed for students who wish to improve their test-taking skills and their overall performance on the ACT college entrance exam.

The Advantage provides valuable instruction for students taking the **ACT (American College Test)**. Each class meets for three hours, once each week for four weeks, with make-up classes available. The course includes diagnostic testing, instruction in time management, overcoming test anxiety, strategies for answering questions in math, science reasoning, English, the writing essay, and much more.

Tuition for the 12-hour ACT course is only \$140, and students may repeat the course in future offerings during the winter, spring, summer, or fall – **free of charge**. All class materials are included in the tuition fee. Students may choose to attend classes at **Lakeville North High School, Lakeville South High School**, or at any of the other locations.
